

SHAMSHIRI GRILL

1712 Westwood Blvd., Los Angeles, CA 90024; (310) 474-1410

With Chefs working their magic inside a glass-enclosed kitchen and flames flickering from the Natural Mesquite Charcoal Broiler & Shawarma Machines. Shamshiri Grill is airy and easy-going by day, Exotic and Romantic by night. Shamshiri takes an all-around Mediterranean approach to an award winning selection of wine and Middle Eastern cuisine; personalizing traditional recipes and offering Vegan variations otherwise unavailable in L.A. The Shirin Polo (basmati rice with saffron, orange peels, pistachios and almonds), described as "Exemplary" by Los Angeles Magazine, perfectly compliments the multiple fish and meat offerings, while Shamshiri's namesake dish is a succulent 24 oz Beef, Lamb or Chicken Kabob. Fresh Baked Bread made in our stone oven. Try us for your office luncheons. MC, D, V, AE.
